**So You've  
Seen a  
Fascist  
Sticker...**

A fascist sticker? Here in Vermont? It's unfortunately more likely than you think. Just follow this three step process and we will solve the problem together!

# 1. Take the Sticker Down

This is probably the most important thing to get out of the way. Take the sticker down! Here in Vermont, almost all of the stickers are done by this group that likes to call itself the “Patriot Front.” Yes, we assure you, they are that cringy. Their stickers are generally made out of thin paper, which makes them hard to peel off. Taking a bottle of Windex and some sandpaper to the sticker will usually do the trick! If those aren’t available, you can normally use a coin or keys to scratch the sticker off.

If taking the sticker down is simply unfeasible for you, don’t worry! Just skip to the next step! We’ll take care of it.

# 2. Tell Us About the Sticker

Email or message the BTV Clean Up Crew, and tell us what you found! You can email us at [btvcleanupcrew@riseup.net](mailto:btvcleanupcrew@riseup.net), or message us on Facebook or Twitter @btvcleanupcrew. If you were unable to get the sticker down, let us know, and we will make sure that it is taken care of! Even if you did get the sticker down, be sure to tell us about it! Keeping an accurate count of the stickers is very important for the next step...

P.S. Don’t tell the police! We appreciate that you are taking this issue very seriously, but the police are very slow to respond to this issue, and they always attract media attention. That’s exactly what the fascists want. It’s much better to take it down yourself, or have us take it down.

# 3. Follow, Pledge and Donate

At the end of the month, we will tabulate all of the nasty stickers that we found throughout the month, and we will ask people to donate to a local non-profit in response! We will normally ask people to donate around \$1-10 per sticker that we found. If you can pledge a donation and let us know what that pledge is, that would be extra helpful! We will post a direct donation link to a local non-profit dedicated to migrant rights, LGBT+ liberation, or racial justice. Follow us on Facebook and Twitter!

The more people we get to pledge and donate, the more fruitless it is for these losers to try and spread their hatred! We want to make sure that every sticker they put up is a guaranteed sum of money for people fighting for the good stuff, which is exactly what they hate.
